

The Inaugural Injury Prevention Coordinators Symposium and Summit

Wednesday, September 10, 2014
7:00 a.m. - 11:15 a.m.
Philadelphia Marriott Downtown

The major organizations that represent the healthcare professionals involved in acute care of the hospitalized injured patient have assembled to combine their resources related to the prevention and control of trauma. The AAST's 73rd Annual Meeting will provide the venue for the Trauma Prevention Coalition's Inaugural Injury Prevention Coordinator Symposium and Summit. To attend, register at www.aast.org (click on the annual meeting tab).

Symposia Topics

Who Should Attend?

- Healthcare Professionals
- Public Health Professionals
- Trauma Program Managers
- Trauma Program Coordinators
- Injury Prevention Coordinators
- Trauma Medical Directors
- State Healthcare Professionals
- Regional Public Healthcare Professionals

- An update on the Trauma Prevention Coalition
- A review of the revisions of the Prevention chapter in the updated Resources for Optimal Care of the Injured Patient recently published by the American College of Surgeons Committee on Trauma
- An overview to the newly developed Injury Prevention Coordinators Course curriculum

The Symposia will be followed by a moderated summit to discuss issues associated with hospital-based injury prevention/ intervention programs and the specific needs of trauma program injury prevention coordinators.

CME and CEU accreditation is pending.

Cost: \$40 per attendee. Register online at www.aast.org
