# The Sharon M. Henry/Maryland COT State of the Art Lecture

Sharon M. Henry, MD, FACS, is the Anne Scalea Professor in Trauma, the Professor in Trauma at the University of Maryland School of Medicine and the Chief of the Division of Trauma, Shock and Critical Care in the R Adams Cowley Shock Trauma Center where she is also the Head of the Soft Tissue Reconstruction Services. Sharon is being recognized as an international expert in trauma surgery and soft tissue reconstruction. Dr. Henry is widely known for her surgical contributions to the educational efforts of the American College of Surgeons and the Maryland COT.

Upon becoming the State Chair of the Maryland COT in 2004, Dr. Henry set in motion the development of an impressive number of educational initiatives which culminated into a very successful Annual Maryland COT Trauma Care Conference. This conference has become a must-attend event for anyone involved in trauma care.

The American College of Surgeons designates this live activity for a maximum of 26.00 AMA PRA Category 1 Credits™. Physician participants should log only the credit commensurate with the extent of their participation in the activity.
