

AMERICAN COLLEGE OF SURGEONS
EASTERN ASSOCIATION FOR THE SURGERY OF TRAUMA (EAST)

2020 Scholarship Available

The American College of Surgeons and the Eastern Association for the Surgery of Trauma are offering an annual scholarship to subsidize attendance and participation in the Executive Leadership Program in Health Policy and Management at Brandeis University. The course takes place June 14–20, 2020.

Eligibility

- The award is open to surgeons who are active members in good standing of both the American College of Surgeons (ACS) and the Eastern Association for the Surgery of Trauma (EAST). Only individuals who are in the “Active” membership category of EAST with at least two years of membership are eligible to apply.

General Application Information

- The application is submitted via e-mail to scholarships@facs.org as a single PDF document consisting of:
 - A cover sheet that includes contact information (name, preferred postal address, e-mail address) and specifies the name of the scholarship: ACS/EAST Scholarship
 - A one-page essay discussing:
 - Why the applicant wishes to receive the scholarship
 - How the scholarship will fill a gap in applicant’s training or experience
 - Goals or plans to use the newly acquired knowledge or skills in his or her practice or community
 - A current NIH-style biosketch (five-page maximum)

Award Obligations

- The award is in the amount of \$8,000, to be used toward the cost of tuition, travel, housing, and subsistence during the period of the course. Indirect costs are not paid to the recipient or to the recipient’s institution.
- The scholarship must be used in the year for which it is designated. It cannot be postponed.
- The Scholar is required to provide one year’s health policy-related assistance to the ACS and the EAST, including attendance at a health policy meeting in Washington, DC. EAST asks the Scholar for his or her support in reviewing applications for next year’s Brandeis scholarship program.
- The College anticipates that program alumni will serve as state councilors for the *SurgeonsVoice* Program, its grassroots initiative aimed at establishing relationships with members of Congress.
- A brief report of the Scholar’s experiences and activities is due at the conclusion of the course and of the scholarship period. A simple accounting of expenses is also required.

Additional Funding Sources

- Application for this award may be submitted even if comparable application to other organizations has been made. If the recipient accepts a similar scholarship from another agency or organization, the scholarship will be withdrawn. It is the responsibility of the recipient to notify the Scholarships Administrator of the ACS of competing awards.

The closing date for receipt of applications is February 3, 2020. An awardee will be selected by a committee consisting of members of ACS and EAST. All applicants will be notified of the outcome of the selection process in April 2020.
