

Request for Intention to Submit Speaker Proposal

Erlanger Health System is accepting speaker proposals for the 12th Annual Trauma Symposium scheduled for June 6 & 7, 2019 at the Chattanooga Convention Center in Chattanooga, TN. This conference is designed for trauma teams, surgeons, emergency physicians, advanced practice staff, nurses, pre-hospital practitioners, and ancillary personnel involved in the care of trauma patients, the management of trauma programs, and trauma systems. The 12th Annual Trauma Symposium is expected to draw a minimum 300 trauma professionals over a 2-day period.

Presentations should support the Trauma Symposium's goal of advancing the knowledge of trauma professionals including practical applications of information. Topics should focus on case studies, applicable skill sets, and practice updates for trauma that are applicable for a large audience of pre-hospital, nursing, and bedside professionals with limited statistic slides. Topics of the 12th Annual Trauma Symposium include but are not limited to:

- Advances in Transfusion and Hemorrhage Control
- Trauma Resuscitation
- Pediatric Trauma
- Geriatric Trauma
- Case Studies
- State-of-the-Art Pre-Hospital Care
- Disaster Management
- Treatment of Penetrating Trauma

General Instructions:
